

- Algonac High School is a closed campus. No students should be leaving campus for lunch. If you are caught leaving, you will receive points and lose extracurricular activity privileges. We will be monitoring the lots and checking the cameras for the remainder of the year. There should be no students in front commons during lunch due to lack of supervision. Make sure you are in the lunchroom during lunch time.

- E2020 Changes:

1. One credit recovery at a time, when finished you will be enrolled in another recovery and it will be enabled when the \$80.00 is paid. Once finished, you will get a \$40.00 rebate.

2. If you have any credit classes you will not be given an early release form, you must finish all of your classes.

3. Any assigned class needs to be finished at the end of the semester it was assigned, they will not carry over. They will reset and become credit recovery.

4. Students will have one month to transfer into an online learning class so they cannot catch up if transferring any later.

- Mowing Madness Professional Lawn & Landscape is currently hiring for summer positions. Stop by there for an application.

- TEC has expanded their Cosmetology program and so Algonac has additional openings in Cosmetology!!! This is a great opportunity. You must be a current sophomore to do this program. Please see Ms. Blair ASAP if you are interested. Slots will be filled on a first come, first served basis.

- Any families who might be interested in hosting an exchange student for either a semester or a school year should contact Coach Treppa. He has a list of students who are looking to find placements in the area. The students have many different interests, and are excited about finding a family to stay with.

- A volunteer opportunity is available helping an elderly member of the community move. The date of the move is Saturday, June 23. If you are interested in more info see Ms. Blair.

- Junior NHS members, let Ms. Blair know ASAP if you plan to run for office. There is a meeting next Monday, June 4th for voting.

- There will be a cross country informational meeting after school Monday, June 4th in Mrs. Smith's classroom.

- 8th graders-make sure you get your permission slips signed and turned in as soon as possible for the mandatory field trip to SC4 next Monday, June 4th. If you did not receive a permission slip, you can find extras in the administrative office.
