Other:

- Spring Middle School dance at night to include 6th grade. Coordinate with orientation
- Look into parent volunteers to help library checkout
- Can students test out of a language they are fluent in? If students could pass final exam for a foreign language class, they would earn credit.
- Concern over orientation this year. Requesting staff at least have Letter and supply list posted outside of room. More help directing parents/students.
- Post Dual Enrollment information on high school website
- Post homecoming information on high school website
