Don't forget if we get hit with bad weather and school is closed the childcare program is STILL OPEN> if you are not going to bring your child please remember to call us so we can adjust the staff schedule. Please realize because we are still open on snow days and your child is on the schedule, if you choose to keep them home there will not be a credit or refund issued. We are still here to serve you! Thank you

Miss Carla would like everyone to know about the infant care room "No Shoe" policy. Due to the children being on the floor so much we would really appreciate it if you stay on the tile floor when entering or for your convenience she has shoe covers to put on over your shoes when entering onto the carpet area. This will help keep the carpet clean and sanitary for our children. Thank you!
Please don't forget to dress your children accordingly. When the weather is warm enough we like to go outside. Thank you!

WELCOME TO THE INFANT ROOM: Brennen Lozen & Riley Beicastro

WELCOME TO THE TODDLER ROOM: Evelyn Rupersburg, Ivy Weaver & Hayden Dandron! We're so excited to have you join us!

Cleaning your house while your kids are still growing is like shoveling the walk before it stops snowing.
