

Community Update – Algonac Community Schools (Part 2)

More good news regarding some high achieving Muskrats.....Two members of the Algonac bowling team, Brett Leuffgen and Noah Brejnak, qualified for the state boys' singles bowling tournament. They will be competing in Muskegon this Saturday. Best of luck to both of them.....

Also, Millside Elementary's Early Childhood Special Education teacher, Jennifer Humes, was recognized by the St. Clair County RESA for the Distinguished Teacher Award. This honor is given to the very best teachers in the county for excellence in the teaching profession. We are very happy to have Jennifer as part of the Algonac Community Schools' team.....great work!!!
