Principal

In Michigan's Blue Water Area

Dear Parents:

Each year Algonac Community Schools must determine the number of Native American Indian students enrolled in the District. Please read the Indian Student Eligibility form that is attached. If your child meets the definition for this program, please fill out the form and return it to your child's principal

The Native American Education program offers cultural enrichment classes on every Monday starting in October and ending at the beginning of May. Cultural and academic based field trips are also offered for student through out the year. Classes are held in the Algonac Elementary cafeteria from 6:00-8:00 p.m.

Tutoring for students who need academic support and meet the eligibility requirements may be available from this program. If you have questions about the program, call Susan Wrobel at (810) 748-3601.

Sincerely,

Melissa M. Hanners

Parents: Please return this completed form to your child's school. In order to apply for a formula grant under the Indian Education Program, your child's school must determine the number of Indian children enrolled. Any child who meets the following definition may be counted for this purpose. You are not required to complete or submit this form to the school. However, if you choose not to submit a form, the school cannot count your child for funding under the program. **This form will become part of your child's school record and will not need to be completed every year.** This form will be maintained at the school and information on the form will not be released without your written approval.
