

Newsstand

22

Newsstand organizes your magazine and newspaper apps and lets you know when new issues are ready for reading.

Find Newsstand apps.

Touch and hold a publication to rearrange.

Newsstand organizes magazine and newspaper apps with a shelf for easy access.

Find Newsstand apps: Tap Newsstand to reveal the shelf, then tap Store. When you purchase a newsstand app, it's automatically added to your shelf. After the app is downloaded, open it to view its issues and subscription options. Subscriptions are In-App purchases, billed to your Apple ID account.

Turn off automatically downloading new issues: Go to Settings > Newsstand. If an app supports it, Newsstand downloads new issues automatically when connected to Wi-Fi.
