SHOW ME HOW: iPad Wi-Fi setup

From the **Home** screen go to the **Settings** app

Tap **Wi-Fi** from the **Settings** list on the left

The **Choose a Network** area will populate a list with all the available wireless networks at your location.

Tap on the network you want to connect to.

If the network you are connecting to requires a password an Enter Password screen will appear.

Enter the password for the wireless network and then **Join**.

You should now be connected to the wireless network.
