

ALGONQUIN ELEMENTARY

May 2, 2017 Ballot

On the May 2, 2017 ballot, voters in Algonac Community Schools will be asked to consider a 2-mill Building and Site Sinking Fund (BSSF) that would generate approximately \$1.2 million annually for the next 10 years to fund ongoing facility and technology needs and repairs in our district buildings.

Current Millage Rate Comparison (St. Clair County Districts)

Economic Advantages SINKING FUND

- Money is collected locally, stays local and does not go through Lansing.
- There are no interest or debt payments.
- Projects funded on a pay-as-you-go basis.
- An independent audit of the use of sinking fund dollars is conducted annually, as required by the Michigan Department of Treasury.

Approximately
\$8.33/month tax increase
 per \$100,000 home market value

Produced and Paid for by Algonac Community Schools

PROJECTS TO BE COMPLETED WITHIN FIRST 3 YEARS
